Introduction

I N T R O D U C T I O N

The Report on Salaries and Allowances received by: a) Principal officers and members of governing boards of government-owned and/or controlled corporations (GOCCs) and their subsidiaries; and, b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs) was conceptualized under the Commission on Audit (COA) Memorandum Order No. 92-780, dated 21 September 1992.

The intended purpose of the COA Memorandum Order is to monitor the salaries and allowances received by government officials holding multiple positions as well as properly determine the total amount of salaries and allowances received by these officials from the different government agencies/instrumentalities in a particular year. The memorandum further clarified that the term “Principal Officers” shall refer to management personnel occupying the top three highest official positions in the government agency/instrumentality.

The publication of herein data is in accord with the present thrust of the government for transparency in its transactions and operations. Thus, audit units assigned to GOCCs and NGAs were required to submit, pursuant to the aforementioned regulation, data on the salaries, allowances and other related information of its top officials.

Incorporated in the report are the summarized/consolidated information from 582 government agencies/instrumentalities comprised of 497 GOCCs (inclusive of 382 water districts) and 85 NGAs. Based on the General Appropriations Law and other sources, data from 409 government agencies/instrumentalities are not included in the consolidation/summarization as the pertinent information thereon remained unsubmitted as of reporting date. The excluded data is comprised of 241 NGAs and 168 GOCCs (inclusive of 104 water districts), the details are exhibited in Annex A.

Annex B is a listing of water districts with insufficient/erroneous data and the nature of missing information. Thus, only WDs with complete data on its top officials were included in the consolidation/summarization.

A total of 3,964 government officials are covered by this report, consisting of 3,326 officials of GOCCs, 2,300 of which are affiliated with water districts; 617 government officials are with various NGAs; 6 are local government officials; and, 15 are private sector representatives with no data as to its mother unit. Annex C presents the names of the private sector representatives with no specified mother units and the government agencies/instrumentalities with which they are affiliated. The acronyms of the various government agencies comprising the report are enumerated in Annex D.

As in the previous year, the FY 2009 Report on Salaries & Allowances is presented in four parts, namely:

List of Principal Officers & Members of Governing Boards of GOCCs and their Subsidiaries, & the Secretaries, Undersecretaries, Assistant Secretaries & other officials of equivalent rank of NGAs who received salaries and allowances in FY 2009, arranged by government agency/instrumentality;
